

GET A FREE ANAVIO LICENSE!

Each NEXT™ Camera Sensor comes with a free **Standard Anavio license!** Just install the camera and connect to Anavio, and you'll automatically be assigned a Standard Anavio License, which provides access to all essential Anavio features.

When you combine Anavio with the NEXT Modular Camera System, you'll unlock powerful features that elevate safety and efficiency.

TRIGGER PRE-RECORDED AUDIO MESSAGES

In response to an event, Anavio can automatically initiate pre-recorded messages via the camera's two commercial-grade speakers.

COMMUNICATE WITH VISITORS IN REAL-TIME

Use Anavio to activate 2-way audio in the NEXT Camera and perform direct talk-down with anyone within 50 feet of the camera.

TRIGGER THE CAMERA'S LED SIGNAL LIGHTBARS

Four programmable lightbars can communicate situational awareness to folks in the camera's vicinity.

RETRIEVE COLOR-BASED SEARCH RESULTS IN NEAR-DARK CONDITIONS

Thanks to the camera's AI Vision technology, you can perform searches based on the color of clothing and vehicles in near-dark conditions, for more actionable results.

TAG PEOPLE OF INTEREST

Log instances of both known and unknown people in and around your buildings without having to add them to the system as a user or guest.

PERFORM PEOPLE SEARCH

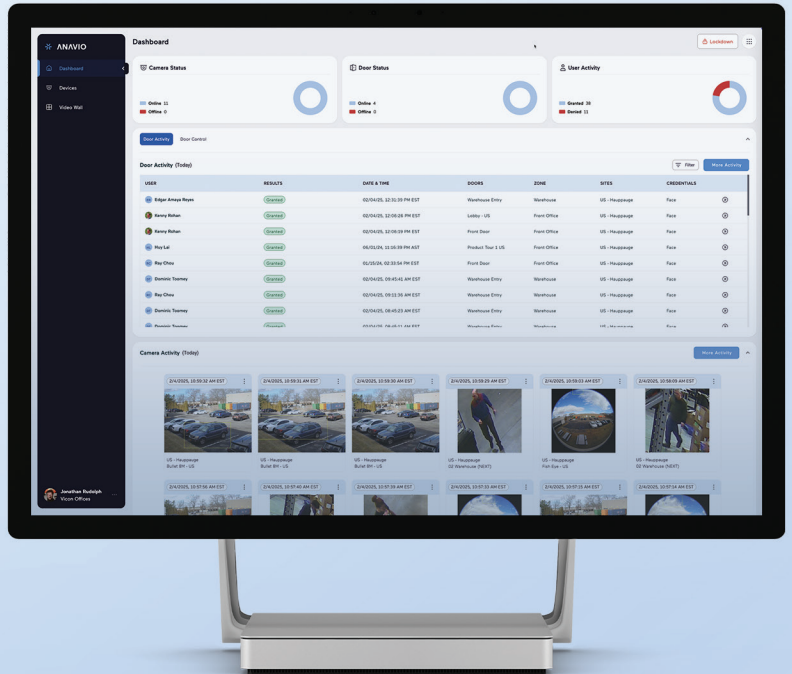

Go back in time and track one or more people—known *and* unknown—throughout your facility, across various access points, and from camera to camera.

NEED A PREMIUM LICENSE?

The Anavio Premium License includes features like:

- Access Control
- Cloud Storage
- Person of Interest Workflow
- Future Enhancements
